

**Dayton Power & Light and Vectren
Energy Leadership Scholarship**

2019 Application Packet

Deadline: April 15, 2019

Dayton Power & Light and Vectren Energy Leadership Scholarship

BACKGROUND

Dayton Power & Light (DP&L) and Vectren present the *Energy Leadership Scholarship*, to be awarded to three students within their service territory. These three \$1,000 scholarships will be granted for post-secondary tuition and expenses to deserving students who have demonstrated outstanding energy leadership, knowledge, and interest in continuing their studies to prepare for a career in a STEM-related field. Eligible students must be pursuing a 4-year degree, 2-year degree or advanced training program. Scholarships will be facilitated by Ohio Energy Project, a non-profit energy education organization.

EFFECTIVE LEADERSHIP

This scholarship is designed for students demonstrating effective leadership skills and energy knowledge throughout their high school careers.

The following examples are traits the scholarship committee will consider as it chooses recipients of the scholarships:

- A student who leads by example and is well respected by his or her peers.
- A student who encourages others and serves as a team leader.
- A student who creates excitement and motivates others to accomplish great things.
- A student who demonstrates energy awareness at home, school and in the community and who educates others about energy.
- A student who is not only a great leader but also deeply understands science and the STEM-field's current events/issues.
- A student with interest in pursuing a career in a STEM-related field.

ELIGIBILITY REQUIREMENTS

Candidates must:

1. Be graduating high school seniors.
2. Be residents of Vectren and DP&L service territories.
3. Be members of families who are customers of DP&L for their electrical needs.
4. Be members of families who are customers of Vectren for their natural gas needs.
5. Demonstrate involvement in STEM education in the classroom, at school, or through community activities and programs. *Ohio Energy Project activities are examples, but student applicants are not limited to OEP program participation.*

APPLICATION PROCEDURES

Candidates should submit applications no later than **April 15, 2019**. Applications must contain the following items:

1. Copy of the application packet. *Staple all hard copies.*
2. Two completed recommendations (form included in this packet). *A minimum of one recommendation must be from a teacher/advisor.*
3. A copy of student's transcript.

If not submitting online, return the original application and recommendations
