### **SCHOLARSHIP REGULATIONS**

Miami County Grangers realize that one of the most important contributors to our country's economy is agriculture. In that respect, we have initiated a scholarship which will encourage our Miami County youth to pursue professional careers in agriculture, veterinary and home economics related areas.

This scholarship is intended to demonstrate the faith that the Grange has in the importance agriculture in our country's economy. We believe in the family way of life and that our youth of today will be our leaders of tomorrow.
