

# Chorus (Girls)

Girls, think boho or beachy chic. Fun prints such as floral, fruit print, etc. are okay for girls, but nothing to bold, overly colorful, or busy. The color scheme is soft, cool tones. Warm tones are also acceptable, as long as they are not bright. Absolutely no red. Certain scenes and characters that we want to stand out will have a bright color scheme, including Voulez-vous, so there should be a clear difference. The nightmare scene will have an all-black color scheme. Girls will need a regular outfit, a nicer, semi-formal outfit for the wedding scene, a beachy outfit- flowy swimsuit cover-ups and denim shorts, for lay all your love, and a party outfit for Voulez-vous. When you've picked a possible costume, text me or Camille so one of us can okay it. Our numbers are (937)524-7705 (Macie) and (937) 875-8163 (Camille).
