COLOR CANE

Since 1944, the senior class has traditionally added colors to the Color Cane. The cane has come to symbolize the unity between all graduating classes of Troy High School. It took 57 years to entirely fill two canes with ribbons. The class of 2001 presented the first ribbons on a new and third cane, marking the beginning of a new millennium. This year the 74th set of ribbons, and the 17th on the new cane, will be added.

The Class of 2017 has decided to add a black and white checkered ribbon and an Autism multicolored puzzle ribbon to the THS Color Cane. The black and white ribbon represents the 2017 graduates reaching the finish line, and the multicolored ribbon represents the desire of the Class of 2017 to involve all students, regardless of disability or handicap, in the Troy High School community.
