

Ms.Orr is taking Troy students, friends, and family to

AUSTRIA, GERMANY AND SWITZERLAND

JUNE 2022

Dear Parents & Guardians,

I am thrilled to announce that we will be traveling to these three amazing countries in June of 2022, and ALL high school students and family members are invited to travel!

Basics: trip includes Vienna, Salzburg, Munich, Neuschwanstein, Tyrol, Lichtenstein, Lucerne, Heidelberg, Rhineland Cruise, Cologne, and Bonn.

Highlights: Schonbrunn Palace, Olympic Stadium, Marienplatz City Hall, Dachau, Neuschwanstein Castle, Lion Monument, a trip up Mount Pilates in the Swiss Alps, the Black Forest, Heidelberg Castle, one day river cruise, Cologne Cathedral, Museum of German History, and a Haribo Candy Factory visit.

Price includes: all airfare from Dayton, Ohio, busing, a guide that will be with us the whole trip, sightseeing tours, 2 meals per day, and lodging.

The current estimated price will be slightly under \$4,000 per student and around \$4500 per adult. The price changes due to fluctuation in airfare, so sign up ASAP! This also included a discount for signing up early.

The date will be the first or second week of June and the trip will be 12 days! Learn more about this exciting opportunity by contacting me at micheleorr7316@gmail.com or texting 937-454-9322. I will be arranging a Google Meet to go over the basics and answer questions, so if I have your contact information, I can send you the link.

This will be my third student trip to Europe, and I can't wait to go! I have traveled extensively and have learned a plethora of information on each adventure. I just recently discovered student travel though and wish I knew about it 30 years ago when I started teaching. I hope you will be able to join us on this amazing trip!
